

# CERTIFICATE OF TEST RELIABILITY

AWARDED TO THE CERTIFICATION BOARD OF  
RADIOLOGY PRACTITIONER ASSISTANTS BY

This CERTIFICATE OF TEST RELIABILITY is awarded this date of December 20, 2007 to the Certification Board for Radiology Practitioner Assistants (CBRPA) for the Radiology Practitioner Assistant (RPA) certification test.

Collaborative Research Solutions, Inc. has statistically evaluated the CBRPA examination test data and performed a reliability analysis and Standard Error of Measurement. The method used in the analyses of the data was SPSS software. This tool is commonly used in such areas as academia, medical, scientific, clinical, and social science research.

The results of our statistical analysis have determined that the Radiology Practitioner Assistant (RPA) certification test has a high reliability score indicating that the examination is very reliable.
